Write the correct greeting in Spanish that matches the greeting in English.

me llamo/mi nombre es
¿y tú? sí no
¿cómo te llamas? muy bien
mal bien ¿qué tal? así así
excelente ¿cómo estás?

1. How are you? _____
2. And you? _____
4. My name is.. _____
5. Yes _____
6. No _____
7. Very good _____
8. Bad _____
9. What's up? _____
10. Excellent _____
11. So so _____
12. What is your name? _____

200122

ClassroomIQ

Name _____
Match the English and Spanish clothing to the picture.

English and Spanish Clothing

Draw a line from each article of clothing to the correct English and Spanish words.

hat		las botas
skirt		los guantes
pants		la camisa
shirt		el sombrero
boots		la falda
sneakers		los calcetines
gloves		el vestido
socks		zapatillas de deporte
dress		los pantalones

If you refine your search to include a specific type of worksheet (like learning to print the alphabet), your search results will produce free worksheets specifically for that task. You'll find worksheet that include ABC letters to print for free, as well as math sheets to print out. I Know My Colors: Color each object with the color listed below each of them. (Bingo boards for numbers 0-15 are included in the worksheet pack). For example, if they print worksheets or other types of reading materials for educators, homeschooling parents or parents who participate in summer bridge learning programs, you could find award certificates to print and other free worksheets to support your curriculum on these websites. Here are ways to find printable worksheets for kids. Parenting Blogs and Websites Visiting parenting blogs and websites offers you a variety of opportunities for finding free printable worksheets for kids. They might also provide free coloring pages, puzzles and other fun activities. Don't Forget Your School Sometimes a school website will post a blog or feature information on their library's website that includes free printable worksheets. These sites also include printables for learning about science, history and reading comprehension. Check Out Book- or Publishing-Related Websites Book- and publishing-related websites will often offer free printable worksheets. In case you're here looking for something specific, here's what's included in this post: Related: The Best Números Songs in Spanish for Kids Numbers 1-20 in Spanish Let's start with an overview of the numbers. All you need is a regular deck of cards! Read the post here or watch this video to learn how to play. An answer key is included. There are printable flashcards, alphabet printables, color chart posters, and more printables to help you learn new words and reinforce ones you know. Write out the Spanish word that corresponds with the pictures and English adjectives. Looking for activities to learn to count in Spanish? Spanish Numbers Worksheets I've put together a pack of free Spanish numbers worksheets for different ages and learners. In addition to offering printable coloring pages, many of these sites present educational printables for free as well. You also have the option to opt-out of these cookies. Out of these cookies, the cookies that are categorized as necessary are stored on your browser as they are essential for the working of basic functionalities of the website. You're in the right place! This post is packed with info on Spanish numbers, and I've got some great free printables for you if you're working with kids. Under some circumstances, teachers will also operate individual webpages that offer free printable worksheets to help their students engage in fun activities when they're not in the classroom, or so they can continue learning throughout the summer. Here are more free beginner Spanish worksheets to help you with things like vocabulary and phrases concerning greetings, relatives, animals, body parts, and shapes. Here's what's included in the pack! Worksheets for Kids (Spanish Numbers 1-10) Trace, color, cut, and paste the Spanish numbers: Color-by-number Spanish numbers worksheet. Matching sheet for the Spanish numbers 1-10. Worksheets for Older Kids - Teens (Spanish Numbers 0 - 20) Spanish numbers 1-20 Word Scramble: Numbers 1-20 Spanish Word Search: Numbers 1-20 Spanish Crossword: Spanish Counting Activities for Kids One of my very favorites games for learning Spanish is called Mano nerviosa. Geography worksheets can be a valuable resource for teachers and students looking for activities and information related to both U.S. states and foreign countries. Learning Number Words in Spanish: Complete this worksheet by writing the Spanish number that goes in each blank. These cookies will be stored in your browser only with your consent. Many of these sites are age specific, but there are others that offer materials for children of all ages. It's also a great way for parents to get in extra practice with their children over the summer, or when they're struggling. Colors in Spanish: Learn the words for colors in Spanish that includes a pronunciation guide. We also use third-party cookies that help our store to run, and that help us to analyze and understand how you use this website. Learning to count in Spanish is a good first step in learning the language. Adjective Quiz: A 32-word match questions. Geography Germany Japan South America Finding free printable worksheets is an excellent way for teachers and homeschooling parents to save on their budgets. Songs are another excellent way to practice counting in Spanish. Greetings in Spanish: Learn phrases for a simple and friendly introduction in Spanish. Rainbow Colors: Label the different parts of the rainbow with the right color. But opting out of some of these cookies may have an effect on your browsing experience and the correct functioning of our store. Answers are included at the bottom. These beginner worksheets will help you identify and write out colors. You can also refine your search so it includes age, grade level and subject. The resources also include crossword puzzles, vocabulary worksheets, alphabet-ordering activities and explanations of geographical terms—such as isthmus, island and archipelago. Here are numbers 0 - 10 in Spanish: 0 - cero 1 - uno 2 - dos 3 - tres 4 - cuatro 5 - cinco 6 - seis 7 - siete 8 - ocho 9 - nueve 10 - diez Here are numbers 11 - 20 in Spanish: 11 - once 12 - doce 13 - trece 14 - catorce 15 - quince 16 - dieciséis 17 - diecisiete 18 - dieciocho 19 - diecinueve 20 - veinte Here are numbers 21 - 29 in Spanish: 21 - veintuno 22 - veintidós 23 - veintitrés 24 - veinticuatro 25 - veinticinco 26 - veintiséis 27 - veintisiete 28 - veintiocho 29 - veintinueve Numbers 30-100 in Spanish Here's how to say the numbers 30 - 100 in Spanish: 30 - treinta 31 - treinta y uno 32 - treinta y dos 33 - treinta y tres 40 - cuarenta 41 - cuarenta y uno 42 - cuarenta y dos 50 - cincuenta 60 - sesenta 70 - setenta 80 - ochenta 90 - noventa 100 - cien Numbers 100 - 1,000 in Spanish Here's how to say the numbers 100 - 1,000 in Spanish: 100 - cien 101 - ciento uno 102 - ciento dos 200 - doscientos (as) 300 - trescientos (as) 400 - cuatrocientos (as) 500 - quinientos (as) 600 - seiscientos (as) 700 - setecientos (as) 800 - ochocientos (as) 900 - novecientos (as) 1,000 - mil 2,000 - dos mil 3,000 - tres mil 100,000 - cien mil And just for fun! 1,000,000 - un millón 2,000,000 - cinco millones 1,000,000,000 mil millones If you'd like more guidance or help with pronunciation, this is an excellent video for teens and adult Spanish learners. Be sure you're looking in the right place when you're searching for free-to-print worksheets to ensure they're age appropriate. Look at Educational Websites and Blogs There are a broad range of educational websites and blogs catering to teachers, homeschooling parents and parents who want to help their children with advancement or overcoming struggles. Try your hand at one of these free Spanish worksheets. An answer key is located at the very bottom of the document, along with the correct way to pronounce the shapes in Spanish. Word Match Quiz for Introductions: Read the English words or phrases and see if you can correctly match them up with the Spanish equivalents from the word list. Shapes: Test your knowledge of the Spanish translations for shapes with this printable worksheet. De Colores Coloring Page De Colores Coloring Page Show your love of rojo, verde, and azul with this "De Colores" coloring page! A popular Spanish folk song, "De Colores" is a great way to learn simple Spanish. 2nd grade Foreign language Inside: A guide to counting the numbers in Spanish 1-1000, with Spanish numbers worksheets and activities. If you're interested in picking up another language, there are some free French worksheets to help you do just that. Bingo, of course, is also a great way to practice the numbers and you can even have your kids or students design their own boards. Spanish Numbers: A 12-page worksheet for testing if you know the numbers 1-10 in Spanish through various games, like counting the objects, matching the number with the Spanish word, and finishing a number series. The answer must be written in Spanish. Print one of them off to help you learn or reinforce your skills over numbers, colors, common phrases, and other Spanish basics. Rhyming Puzzles: Here are 20 rhyming puzzles in Spanish to help you learn common vocab. You'll notice the image isn't 100% crisp here online, but when I send the email with the PDF files, they will be clean and ready to print. Counting in Spanish: Hunt around your home to find out how many items in certain categories you have. Answers are located at the very bottom of the last page. If your school doesn't have this information, search other school websites to see what they're offering. Use a Traditional Search Engine When you input phrases such as "free printable worksheets" or something similar into the search bar of your favorite search engine, you'll receive results directing you to a broad range of sites offering printables for free. There are also some free podcasts and online classes to help you with the language. Spanish Alphabet Chart: Keep the Spanish alphabet front and center with this free, printable alphabet chart that includes the letters and items that start with each letter. Pronouns: Matching, Fill in the blank, and other activities help you learn about pronouns. Here's one that's good for young children: Lastly, here's a poster for remembering numbers 1-15! You download and print it from the numbers worksheet pack. The Family: Learn the words for different family members using this worksheet of Spanish terms for relatives. Many of these blogs and websites cater to children of all ages, but some of them are age specific. These worksheets will help you learn your numbers in Spanish to make everything from counting money to finding streets easier. Each link leads you to a page featuring general background about the subject, whether it be countries like Germany and Japan, or states like Alaska and Nevada. MORE FROM QUESTIONSANSWERED.NET This website uses cookies to improve your experience while you navigate through the website. Learning colors in Spanish is another basic skill to learn. First, we'll go over counting from 1-1000 in Spanish, and then you can see the worksheets and activities for teaching the numbers. You'll also want to check out these free Spanish printables to help you learn Spanish. Just draw a line from the word to the shape. If you're unsure how to pronounce anything, SpanishDict is a great resource for hearing any Spanish word as pronounced by a native speaker. Use these printables as study aids, pop quizzes or launching points for discussions about the various states and countries included here. Add these free printable geography worksheets to your homeschool day to reinforce geography skills and for variety and fun.
